

Latest trends in child poverty in the EU

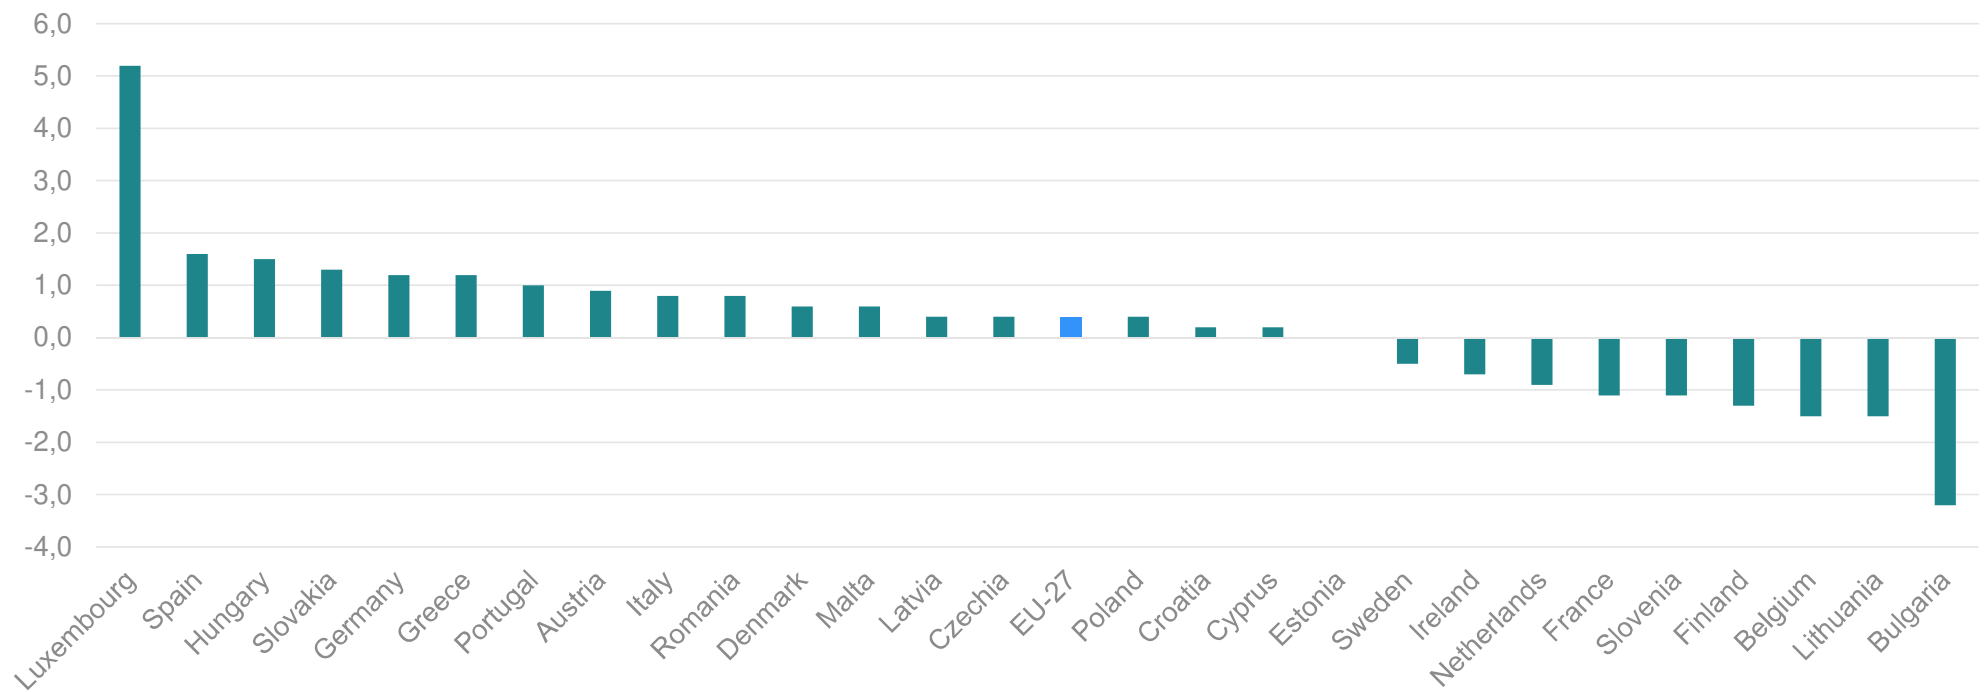

7th meeting of Child Guarantee Coordinators, 19 October 2022

General trends (SPC Annual report)

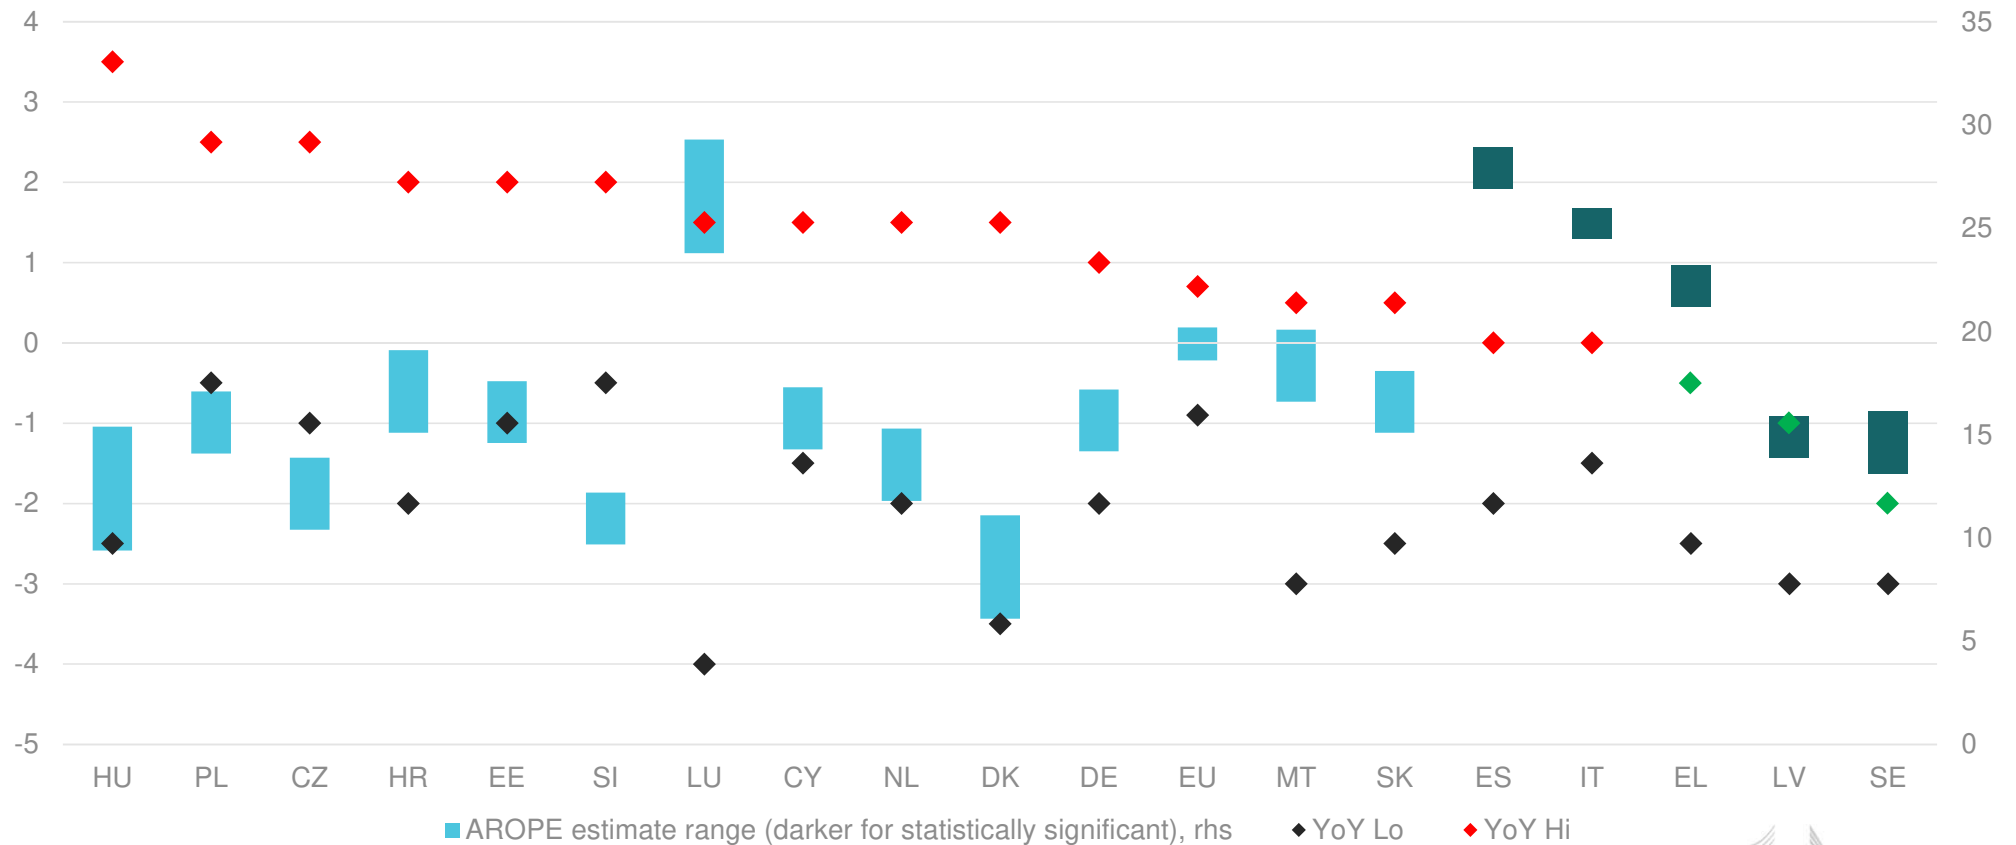

- The **situation of children has been stable or improving** (number of Member States with indicators improving (▲ ▼) / worsening (▲ ▼)):
- Children at risk of poverty or social exclusion (7 MS ▼, 2 MS ▲)
- Material and social deprivation rate for children (11 MS ▼)
- Relative median AROP gap for children (9 MS ▼, 7 MS ▲)
- Early school leavers (11 MS ▼, 6 MS ▲)

There are no major areas of concern highlighted, where outcomes would be noticeably worse in several Member States compared to 2019.

2020-2021 changes in child AROPE (pps)
